Direct: 256.566.8002

**PROFESSIONAL BACKGROUND & EDUCATION**

After growing up in Decatur, Alabama, Tillman first gained robust real estate experience in a thriving East Texas real estate market and he is thrilled to bring that expertise back to his hometown and other booming markets of North Alabama. With experience across a wide range of real estate asset classes, Tillman strives to be a valuable ally and trusted advisor for each one of his clients and to provide guidance through acquisition, property management, and disposition of North Alabama investment property. He is particularly well acquainted with multi-family assets and has experience personally investing in and managing multi-family properties, NNN lease commercial assets, and short-term residential rentals. Analytical and skilled in negotiations, Tillman possesses the knowledge to help guide you through your next transaction or property management needs.

Mr. Hurst holds a Master of Business Administration with a concentration in Finance, and as a passionate outdoorsman, loves few things more than spearfishing in the Gulf of Mexico or a crisp, winter morning in the duck marsh with his trusty Chesapeake Bay Retriever, Reuben.
