PROFESSIONAL BACKGROUND & EDUCATION

Will Swann is a commercial real estate professional with Gateway Commercial Brokerage, specializing in healthcare-focused investment sales and value-add medical office assets across North Alabama. With a foundation built on years of leadership in the veterinary compounding pharmacy industry, Will brings a unique blend of operational discipline, financial acumen, and client-first service to the commercial real estate sector.

Before entering real estate, Will served as a leader in sterile compounding operations, multi-state regulatory expansion, product development, and sales strategy. His experience building processes, managing teams, and understanding the needs of medical professionals now gives him a distinct advantage as he helps investors identify and unlock value in medical strip centers, medical office buildings, and healthcare-adjacent retail properties.

A North Alabama native, Will is deeply invested in the communities he serves. He lives in Decatur with his wife and their two young children, who motivate his commitment to building a long-term career focused on integrity, exceptional service, and meaningful relationships. Known for his work ethic, curiosity, and entrepreneurial drive, Will strives to become the go-to commercial real estate advisor for investors and healthcare owners/operators across the region.

Whether assisting clients with acquisitions, dispositions, or long-term portfolio strategy, Will's mission is simple: deliver unmatched value, communicate with transparency, and work relentlessly to help his clients succeed.

Will earned his Doctor of Pharmacy (PharmD) degree and spent his early career developing deep expertise in problem-solving, compliance, and strategic growth—skills he now applies to analyzing assets, evaluating risk, and managing long-term investment portfolios.
